## CLOSE-GANN 50 YRS.

GOLDEN WEDDING CELEBRATED IN MARYVILLE TODAY.

## MEETING AT S. S. PICNIC

Two Children Are Living, LeGrand of This City and Lamont of Pueblo, Col.

At the home of Mr. and Mrs. Daniel Close, at Bellevue, O., fifty years ago today, their daughter, Miss Tillie, and Alfred C. Gann were united in marriage by the Rev. Mr. Hughes.

The wedding was very quiet and only the immediate relatives attended. The bride wore a pea green gros grain silk dress, the style of that date.

Today Mr. and Mrs. Gann are living over the past in a quiet way, for both are not feeling well enough to entertain as they had planned to do. A talk with Mr. and Mrs. Gann this morning brought out the beauty of such a life of love and long companionship as first one, then the other, told of the marriage and the years intervening. The mutual understanding and pleasure of their golden wedding anniversary was reflected on the faces of both.

Mr. Gann had a forceful way of making one feel his sincerity when he said:

"Fifty years of life is gone. I would that I could have the opportunity to live again the life I have lived so happily. These have been happy years, so happy, in fact, that if I had to go back over it to select even one day to leave out, I could not find one that I would be willing to part with.

"The only life to me is married life. My advice would be to every man to marry, for love. Only three are left to tell the story of our wedding day, Sister Mary Felter, Pine Bluffs, Ark., my wife and I."

Quite a romance attaches to the courtship of Mr. and Mrs. Gann. Miss Tillie Close and her escort attended a Sunday school picnic at Bellevue, and Mr. Gann, the principal of the high school at Flat Rock, was also at the picnic and asked for an introduction to Miss Close. That escort never had another "date," for Mr. Gann decided then and there he had found his life partner, and they were married six months later, and that is why we have this story today.

Mrs. Gann was born in Bellevue, February 21, 1846, and was the only daughter of her parents. Her father was a retired farmer and she lived at home.

### Local Preacher 55 Years.

Mr. Gann was born in Union county, Pennsylvania, April 14, 1837. He was educated in the Dickinson seminary at Williamsport, Pa., the school which was founded by Bishop Bowman of the North Methodist church, and later finished a course at the Lewistown academy, at Lewistown, Pa. Mr. Gann was licensed to preach, and he had the circuit that Bishop Bowman first was assigned to at New Columbia, Pa., as his first circuit. Mr. Gann has been a local preacher in the Methodist church for 55 years.

During the war Mr. Gann had a circuit at Phillipsburg and Glen Hope, Pa., and he resigned to go home and enlist in the army, but on his arrival he found that his father had secured substitutes to go in his place, and Mr. Gann said: "I was not a bit sorry, either."

Mr. and Mrs. Gann came to Nodaway county 35 years ago and purchased 440 acres one mile and a half south of town, for which he paid about \$30 an acre. He lived on the farm three years and then moved to Maryville, continuing to manage his farm until the last few years. Part of the farm sold recently for \$210 an acre.

Mr. and Mrs. Gann are the parents of two children, LaMont of Pueblo, Col., and LeGrand Gann, collector of Polk township.

Mr. and Mrs. Glen Stark and son Raymond, left yesterday for Centerville, Ia., where they will visit before returning to their home in Montana.

Solo, Mrs. C. E. Wells. Benediction.

## MOOSE ELECTION TOMORROW

Present Officers Were Elected When Lodge Was Organized Here in January.

The first annual election of the Local Order of Moose, No. 899, will be held tomorrow night at their new lodge rooms in the Ryan building. There will be a banquet and smoker, initiation and election of officers for the ensuing year. A class of forty candidates will be ready for initiation and this will make their membership list about 130.

The Moose lodge was organized January 29, 1916, with the following officers: Dr. Frank Wallis, past dictator; F. P. Reuillard, dictator; Charles A. Jensen, vice dictator; E. F. Hamlin, prelate; E. E. Williams, treasurer; Fred French, secretary; Fred Yeomans, sergeant-at-arms; C. W. Hildreth, inner sentinel; Paul Basford, outer sentinel; George B. Baker, A. S. Robey and James Smith, trustees.

The Moose lodge hall in the Ryan building has been completely furnished with a library table, card tables and one pool table.

## A LIVELY ELECTION

CANDIDATES INCREASING DAILY FOR CITY OFFICES.

## SCHOOL DIRECTORS ALSO

Terms of J. B. Robinson and J. R. Brink Expire—Board Nominees at Mass Meeting.

The city election promises to be a lively contest, from the number of candidates already in the race. The election is to be held on Tuesday, April 4.

It seems probable that no mass meeting will be held to select nominees, permitting all names to be on one ballot at the election.

For mayor, there are now two candidates that have announced, Arthur S. Robey and John G. Thornhill. There is considerable talk that there will be another candidate in the race.

The city marshal race is to be a hotly contested one. There are four candidates actively in the field. They are E. E. Tilton, D. E. McDonald, J. H. Killion and John A. Wallace. Mr. McDonald, who has been a member of the city council from the fourth ward, resigned that position Monday to make the race. His resignation was accepted and Mayor Wright announced this morning probably no one would be appointed to succeed him, as there will be only two more meetings of the council before election.

Elmer Barrock, the present city collector, and Ed Godsey are running for city collector.

In the first ward, J. L. Fisher's term as alderman will expire. As yet no one has announced from that ward.

L. L. Maier and Frank Reavis are in the race for the member of the city council from the second ward, Maier being a candidate to succeed himself.

Fred E. Diss of the Diss-Cummins-Moberly Taxi company announced himself this morning as a candidate for councilman from the second ward. This is Mr. Diss' first entry into a race for an elective office, and it makes a three-cornered battle in that ward.

The third ward has no candidate as yet for alderman, but it is probable that Charles McNeal will be urged to make the race to succeed himself. There is some talk of Jim Andy Ford for alderman from this ward.

In the fourth ward, W. A. Tindall, the present alderman, and Roy Martin are candidates for member of the city council. James Smith is a candidate for alderman from the fourth to fill out the term of D. E. McDonald, who resigned.

**School Election at Same Time.**  
The school election will be held at the same time as the city election to vote on two members of the school board, and the usual school levy. The terms of J. R. Brink and James B. Robinson expire at this time. The nominees for directors will probably be chosen at a mass meeting to be held a few days before the election and then voted on at the election.

### DR. GOODSON MEMBER G. A. R.

Funeral at Kansas City Home at 2 o'clock Friday—Widow and Three Daughters Survive.

Dr. Jesse Norman Goodson, 69 years old, died Tuesday at his home, 37 West Fifty-eighth street. He had been ill at his home since Thursday. Dr. Goodson was a member of the G. A. R., having served with the One Hundred and Eighty-Eighth Ohio. He is survived by a widow, Mrs. Mary Julia Goodson, and three daughters, Mrs. Viannah Elizabeth Gale, Florence Goodson and Beulah Goodson. Funeral services will be at the home at 2 o'clock Friday afternoon. Burial in Forest Hill cemetery.—Kansas City Star.

## SMALL CONCERT CROWD CAN'T STOP CHEMICALS

MARCH WEATHER AGAIN INTERFERES WITH PROGRAMS.

Ladies' Chorus Showed Careful Training of Mrs. Harvey as Director, Who Specialized in That Work.

More than two hundred heard the concert given by the ladies' chorus, under the auspices of the Twentieth Century club, last night in the First Methodist church. The singers showed the careful training of the director, Mrs. A. F. Harvey. All of the numbers by the chorus, semi-chorus, and quartets were much enjoyed by the audience.

The concert was the result of work since last October by Mrs. Harvey, who was a teacher of music in several schools before her marriage. Miss Lois Glenn was her maiden name. She received her first musical training in Central high school in St. Joseph and in the Christ church choir.

During her four years in Tarkio college she took work in the music department of the college and taught in the public schools. After her graduation she taught in Great Bend and Fort Scott, Kan., and in Haskell Institute, Lawrence.

She then went to McComb, Ill., and graduated in music in the conservatory there, under the man with whom she had taken work at Tarkio. After that she took special work in German songs in Kansas City, and taught with her sister in Woodson Institute at Richmond.

Mrs. Harvey has always interested herself in chorus and Glee club work specially, and the concert last night was a demonstration of her ability. The accompaniments of Mrs. W. R. Jackson were pleasurable and received favorable comment.

### GIRL SIXTEEN DIES.

Daughter of Mrs. Walker Underwent Operation for Appendicitis.

The 16-year-old daughter of Mrs. Dale Walker, four and a half miles south of Hopkins, died at the Ensforth hospital in St. Joseph, after an operation for appendicitis.

The body was brought to Hopkins for burial. The funeral services were held this afternoon at the Baptist church at Hopkins. The Rev. B. W. Griffith, pastor of the Baptist church, conducted the services.

## GERMAN DATA SENT

AMBASSADOR BERNSTORFF FILES PAPERS WITH LANSING.

## MAY CLEAR CONTROVERSY

Senator Stone Will Make Statement Tomorrow Giving Wilson's Attitude Toward Submarines.

Special to The Democrat-Forum.

Washington, March 8.—Ambassador Bernstorff today requested a conference with Secretary of State Lansing. The request came as a surprise in as much as the Secretary was not expected to confer with the Ambassador until tomorrow, but an appointment was immediately made for later in the day.

The United States today received from Ambassador Bernstorff a complete detailed explanation of its order to submarine commanders to sink armed merchantmen without warning. The explanation covering the German side was explanatory of the announcement previously received by the state department. According to Ambassador Bernstorff it is intended to clear up what was considered a doubtful point and especially to show that the new plans of Germany are in no way an abridgement of or in conflict with assurances given this government. The conference lasted less than five minutes.

### Will Turkish Ambassador Resign.

The belief prevails today that Ambassador Morgenthau of Turkey will resign his post to serve President Wilson during the campaign.

### Stone to Issue Statement.

Senator Stone, chairman of the foreign relations committee, announced today that instead of delivering his intended speech on the submarine issue tomorrow he will make a brief statement. The senator held a conference with President Wilson last night, and it is understood that the statement outlines the position of the government as given to him by Wilson.

That agreement will speedily be reached which will preserve all rights of the United States under the international law and at the same time end so-called submarine controversy broadly hinted in official quarters today.

### LOCAL OPTION WON IN VERMONT.

Move to Re-Enact Prohibition Lost Almost Two to One.

Special to The Democrat-Forum.  
Rutland, Vt., March 8.—Local option won over prohibition in this state yesterday by a margin of 13,164 votes. The prohibitory amendment was first placed on the statute books in 1858, and was repealed in 1903 by a majority of 729. The vote today on the question of re-enacting the amendment was: Yes, 18,593; no, 31,667. Every county in the state, with the exception of Orleans, gave a majority in favor of local option.

## Worth Careful Thought

Do you read the label to know whether your baking powder is made from cream of tartar or, on the other hand, from alum or phosphate?

Royal Baking Powder is made from cream of tartar, derived from grapes, and adds to the food only wholesome qualities.

Other baking powders contain alum or phosphate, both of mineral origin, and used as substitutes for cream of tartar because of their cheapness.

Never sacrifice quality and healthfulness for low price.

## PRISON GOODS MEASURE

Congressman Booher's Bill Is Again Before the House Which Will Remedy the Situation.

The bill which Congressman Booher of this district had before congress at the last session, which makes prison made goods subject to the laws of the state in which they are sold or consumed, the same as though manufactured in that state, is again before congress and will without doubt be passed at this session. In the rush of the closing days of the last session it could not be brought before that body, but was reintroduced by Mr. Booher at the present session and is now in good shape for passage. Its passage will prove of great benefit to Missouri and all other states where prison made goods compete with honest labor.

At present some states require the branding of prison made goods as such and some other states prohibit the sale of prison-made goods. The states are unable to prevent the sale or enforce the branding of prison-made goods shipped from another state, however, because they are interstate commerce. It is this situation the Booher bill is designed to remedy.—St. Joseph Observer.

### POLITICAL NOTES

(Democratic Press Bureau.)

That party is in a healthy, prosperous condition when dozens of men vie for its nominations for public service. Such is the present condition of the Democratic party in Missouri. We can win with the nominee.

The Globe-Democrat of March 2, right in the middle of its first page, says that "St. Louis reports a degree of prosperity unknown for several years;" that at Kansas City the railroads are unable to handle all the business that is offered them, etc. This is too much. Some Republican spellbinder ought to answer it.

Mrs. H. W. Hull went to Bedford yesterday, where she will visit her daughter, Miss Myra, who is a teacher in the schools there.

America was a great land when Co-

## Serving the Community

Sounds like a big job, doesn't it? It is—but not  
a very hard one for us. It would be if our policy  
were merely to sell merchandise.

But our policy is to serve the community.

To do this we must have merchandise of a dif-  
ferent nature than the store which merely sells.  
Our goods must be unquestionable; the kind we  
know will serve and satisfy you consistently.Our patrons know this—know our merchan-

For Croup—You Just Rub It OnApply Well Over Throat and Chest,  
Then Cover With a Warm  
Flannel Cloth.Mrs. Ida Ford lives in Cuba, Mo.,  
and not on the island of Cuba, and her  
discovery is one that many other Mis-  
souri mothers have made since Vick's  
Vap-O-Rub was introduced here from  
the South last winter. And this dis-  
covery is simply this:—that it is no  
longer necessary to disturb the deli-  
cate little stomachs of the kiddies in  
treating cold troubles. But let Mrs.  
Ford speak for herself."I have tested Vap-O-Rub three  
times on my little boy four years old  
for croup, and can say I have never  
used a medicine of greater value for  
this trouble. It acted almost imme-  
diately. My boy is subject to croup  
and I have used almost every kind of  
medicine one could buy for it, but it  
was always about three days and  
nights before I could get it checked.  
Vick's Vap-O-Rub acted almost imme-  
diately. You may use this letter ifyou wish, and I will take pleasure in  
answering any inquiries."Vick's Vap-O-Rub is the invention of  
a North Carolina druggist. He found  
how to combine Menthol and Camphor  
with the volatile oils of Eucalyptus,  
Thyme, Cubeb and Juniper in a salve  
form, so that, when Vap-O-Rub is ap-  
plied externally, the body heat re-  
leases the ingredients in the form of  
vapors. These vapors are inhaled  
with every breath, through the air  
passages, to the lungs, loosening the  
phlegm, and, in addition, Vick's is ab-  
sorbed through the skin, taking out  
the tightness and soreness. This  
double action makes Vap-O-Rub useful  
for a wide range of troubles. From  
inflammations of the air passages,  
such as head colds, catarrh, asthma,  
sore throat, bronchitis or deep chest  
colds, down to inflammations of the  
skin and tissues, such as burns,  
bruises, stings, piles and itchings. We  
particularly recommend it for mothers  
with small children, as it can be used  
freely, with perfect safety, on the  
youngest member of the family. Three  
sizes, 25c, 50c or \$1.00. The Vick  
Chemical Company, Greensboro, N. C.

## NAT GOODWIN ACTS TONIGHT

"The Master Hand" Is Based on Fleming's Play—Resume of Story Given at Empire Tonight

"The Master Hand," at the Empire tonight is based on the play of the same name by Carroll Fleming. Nat C. Goodwin is the "good angel" of the story—a big hearted, benevolent man of affairs, whose mission in life seems to be to straighten out other people's troubles and make them happy.

James Rallston has married a rich widow, who is an invalid, with a daughter, Jean. Being in financial difficulties, he plans to get control of his wife's fortune. A woman doctor, Miss Lane, attends Mrs. Rallston, and by drugging her, reduces her to such a condition of physical impotence that no difficulty is found, by the aid of an unscrupulous keeper of a sanitarium, Dr. Garside, to secure an order for commitment and deprive her of liberty.

Fifteen years pass. Rallston lives in magnificent style on his wife's money. He believes her to be dying. Miss Lane hopes to marry Rallston when Mrs. Rallston dies. But instead of dying, she recovers her health and is perfectly sane. Meanwhile, Rallston speculates heavily and loses his daughter's fortune. He tries to persuade the girl to marry an old friend, Bigelow, to whom he appeals for help in recovering his fortune. Bigelow suspects Rallston of deception, as well as dishonesty, and is unwilling to believe that Mrs. Rallston is either dead or insane. Bigelow forces up the price of a stock and recovers Jean's fortune for her. Then he disguises himself and obtaining admission to the sanitarium rescues Mrs. Rallston. The keeper of the sanitarium, Dr. Garside, takes to flight, and Rallston is killed in an automobile accident. Miss Lane confesses her crime.

Mother and daughter are re-united and the girl marries the man of her choice.

## PATTONSBURG WELL PLEASED

"Were Simply Outplayed," Says the Call—Maryville Gentlemen and Fair Opponents.

That the Pattonsburg team and followers were well satisfied with their treatment in Maryville, although believing that their playing was not up to normal, is indicated in the latest issue of the Pattonsburg Call:

Professor Lichtenberger of St. Joseph Central high, refereed the game, and everybody expressed themselves as satisfied with his decisions, and the game closed with the spectators in a good humor and our gang game losers, as they were simply outplayed; but this does not convince us that Maryville has the best team.

Here's best wishes to the Maryville boys, as they were perfect gentlemen and fair opponents from start to finish.

This is the first fair and square defeat the Pattonsburg team has ever met, and, of course, we feel the blow.

## Muffins

By Mrs. Janet McKenzie Hill, Editor of the Boston Cooking School Magazine. When muffins are on the breakfast table, nobody cares for meat or eggs and they would be served more often if this meal were not prepared so hurriedly that there is no time to make them. If K. C. the double-raise baking powder is used, the batter may be stirred up the night before, put in the pan ready for baking and nothing to do in the morning but bake them.

### One-Egg Muffins

2 cups flour; 2 slightly rounded teaspoons K. C. Baking Powder; 1 teaspoonful salt; 1 cup sugar; 1 cup melted butter or lard; 1 egg; 1 cup water or milk. Sift dry ingredients together three times. Add to this the unbeaten egg, melted shortening and water or milk. Then beat all together until perfectly smooth. Oil muffin or gem pans and have oven soiled until the muffins come to the top of the pan, then increase the heat to bake and brown the muffins. This recipe makes 12 large muffins. Raisins or currants may be added if desired.

### Graham Muffins

1 cup graham flour; 1 cup pastry flour; 2 level teaspoons K. C. Baking Powder; 1 to 2 level tablespoons sugar; 1/2 teaspoonful salt; 1 egg; 1 1/2 cups milk or water; 2 to 3 tablespoons melted butter; mix and bake as One-Egg Muffins. Graham batter should always be quite soft to insure light and moist muffins. To get 88 other recipes as good as these, send us the certificate packed in every 25-cent can of K. C. Baking Powder, and we will send you "The Cook's Book" by Mrs. Janet McKenzie Hill. Handsomely illustrated. Jacques Mfg. Co., Chicago.

## CONTESTS AT RAVENWOOD

win smokers because they find the blend of choice Turkish and choice Domestic tobaccos so refreshing; because they appreciate the absence of tongue-bite, throat-parch and any unpleasant cigarette after-taste!

You'll prefer this Camel blend flavor to either kind of tobacco smoked straight. And the quality is so apparent men do not look for or expect coupons or premiums!

Once you know the delightful mellow-mild-smoothness of Camels—and how liberally you can smoke them without a comeback—you'll choose them against any cigarette at any price!

Camels are sold everywhere in scientifically sealed packages, 20 for 10c; or ten packages (200 cigarettes) in a glassine-paper-covered carton for \$1.00. We strongly recommend this carton for the home or office supply or when you travel!
